WALK ABOVE AJDOVŠČINA

	Path length: 5 km		Duration: 2 h
	Ascent: 250 m		Price: 12 €
	Path difficulty: less demanding		Terrain: marked trail

From the youth hostel we ascend to Škol Plateau and all the way to the spring of the Hubelj torrent. The trail takes us to the hidden boulder in the woods above the spring, and with some effort we climb to the plateau of Stara baba. We follow the edge all the way to the lookout point on the Stara baba, where we take delight in the marvellous views over Ajdovščina and Vipava Valley. From here we descend to the ancient Roman Road (rimska cesta) and return to the spring of Hubelj River. It will take us just a few minutes to ascend back to the youth hostel. We take a learning trail with 24 stops, that gives us detailed insight into natural characteristics of the mysterious world of nature of the Vipava Valley.
